

THA 2019 International Conference on Water Management and Climate Change towards Asia's Water-Energy-Food Nexus and SDGs

**23-25 January 2019,
Bangkok, Thailand**

Aims and Scope

The objective is to provide a platform for researchers, scientists, practitioners, and policy makers to share and present new advances, research findings, perspectives, and experiences in Disaster Irrigation and Water Management towards Nexus (WEF) and Sustainable Development Goals. Special attentions will be given to developing certain skills or competence, or general upgrading of performance ability for climate change adaptation, participatory water management disaster and environmental management, and sustainable development in irrigation and drainage in the monsoon Asia. The conference will bring together leading researchers, engineers, scientists, and officials in the domain of interest from around the world

Topics of the conference are:

- Climate Change and Uncertainty in Hydrology and Meteorology
- Participatory Management for Water and Irrigation Project
- Emerging/Digital Technologies in Water Management and Environment Towards Nexus (WEF) and SDGs (Big Data, IOT)
- Disaster Management/ Groundwater Management

Call for papers

Authors are invited to submit abstracts and/or papers to a scientific committee of the conference who will be responsible for evaluating the submitted abstracts and papers. The notification of acceptance will be dispatched after the decision making from the scientific committee. The authors of accepted abstract are then requested for full papers. Only accepted papers will be published in the proceedings.

Language

The official language of the conference will be English. All abstracts, papers and posters should be submitted in English

Instruction for authors

Authors are requested to submit abstracts of their papers through email: thainternationalconference@gmail.com (in Adobe PDF version or Microsoft Word version).

Abstract should be written in English within 250 words excluding the title of the paper, author name(s), affiliation(s), and keyword(s) that should be displayed at the top of the page. Please refer to formatting instructions at <http://www.aseanacademicnetwork.com/>
